

COVID 19 Important Notice

Over the last two years the club has faced lockdowns as well as adhering to health orders to control the spread of COVID-19 pandemic. Dural Country Club has prioritised the health, wellbeing and safety of our staff and members above all else.

The escalating numbers of late has caused the club to review the controls to mitigate the risk of COVID-19 transmission in our venue.

As such, the Club has made **the decision to permit entry only to fully vaccinated people, those under the age of 16 and those who hold a valid medical exemption beyond the reopening Tuesday 4th January 2022**. The decision was not taken lightly. We are committed to serving our community by providing a safe and enjoyable experience for all, and we believe these measures will enable us to continue to do so.

Please note that this decision will be reassessed by the 31st January 2022 factoring in the current COVID-19 climate in Australia.

We thank you for your patience, understanding and support as we continue to navigate through these difficult times.

Stay safe and healthy.
